Claim 1: On or about April 28, 2020, my civil right to

Due Process

(Date)

(Medical care, access to the courts, due process, freedom of religion, free speech, freedom of association, freedom from cruel and unusual punishment, etc. List only one violation.)

was violated by Detective Michele Logan

(Name of the specific Defendant who violated this right)

Supporting Facts (Briefly describe facts you consider important to Claim 1. State what happened briefly and clearly, in your own words. Do not cite legal authority or argument. Describe exactly what each defendant, by name, did to violate the right alleged in Claim 1.):

On April 28, 2020 Detective Michele Logan of the Anchorage Police Department with sufficient evidence to negate any probable cause. Sought an arrest warrant with an affidavit that contained false information by deliberately concealing exculpatory evidence from the Judge signing the warrant. The information withheld is as follows: 1.) On April 22, 2020 Lithia Kia of Anchorage repossessed the 2019 Dodge Durango from my residence and yes within 1 hour their keys were returned to the dealership. 2.) American Credit Acceptance (Third party lender) chose not to extend financing to me on 4-21-2020 due to charge-off on credit. 3.) I tried to verify the authenticity of the check before delivering it to the dealership. 4.) Lithia Kia of Anchorage never returned any of my down payment as they were supposed to under Alaska Statute 45.25.610(d). 5. Parties signed a Contract for Sale in good faith and on spot delivery contingent on final financing approval from a third party lender. 6.) Detective Logan never mentions in affidavit that she is also the investigator on my 2017 case and that she never alerted my parole officer of a potential crime by myself.

that she so called alleged. On April 21, 2020 when in fact Lithia Kia filed a police for repossession my parole should have been notified if Lithia Kia filed for fraud. 7.) Detective never explains how she ever did get involved in the case when Lithia Kia only filed a police report to repossess the vehicle. 8.) Failed to inform Judge that Lithia Kia and I quashed everything on 4-22-2020 with the return of keys, so why on 4-29-2020 am I getting arrested for a stolen vehicle. 9.) All actions between Lithia Kia and I all fall under Civil procedures for a civil case not criminal. The detectives violation of due process is completely and utterly malicious and is clearly an abuse of process and vindictiveness as well.

Claim 2: On or about April 28, 2020, my civil right to

Abuse of Process ^(Date)

(Medical care, access to the courts, due process, freedom of religion, free speech, freedom of association, freedom from cruel and unusual punishment, etc. List only one violation.)

was violated by Anchorage Police Department

(Name of the specific Defendant who violated this right)

Supporting Facts (Briefly describe facts you consider important to Claim 2. State what happened briefly and clearly, in your own words. Do not cite legal authority or argument. Describe exactly what each defendant, by name, did to violate the right alleged in Claim 2.):

On April 28, 2020, felony charges were filed on me and an arrest warrant was issued without probable cause and this information from the Anchorage Police Department's Detective Michele Logan contained an affidavit that was presented to the Anchorage District Attorney for prosecuting. All enumerated evidence known to Anchorage Police Department demonstrates that parties executed a contract on 4-10-2020 and no Criminal misrepresentations took place nor any theft or scheme to possess the 2019 Dodge Durango existed nor transcribed. Malice and abuse of process may be inferred due to lack of probable cause. A fraudulent cashier's check received 4-13-2020 that was never cashed but returned as fraudulent bears the burden of protection under the contract signed 4-10-2020 as it was part of the deferred down payment. Lithia Kia made no report of a fraudulent check chose not to prosecute, but the same Detective Michele Logan and Anchorage Police Department from previous 2017 case chose to prosecute. Anyways.

As a result, I suffered my loss of my job at the Hampton Inn where I was arrested. ~~loss~~ of business from my company Privileged and wages from them ~~both~~. Falsely incarcerated for over 5 months, loss of freedom and publically humiliated at my job.

Claim 3: On or about 4-29-2020, my civil right to
(Date)

Due Process
(Medical care, access to the courts, due process, freedom of religion, free speech, freedom of association, freedom from cruel and unusual punishment, etc. List only one violation.)

was violated by Anchorage District Attorney's Office
(Name of the specific Defendant who violated this right)

Supporting Facts (Briefly describe facts you consider important to Claim 3. State what happened briefly and clearly, in your own words. Do not cite legal authority or argument. Describe exactly what each defendant, by name, did to violate the right alleged in Claim 3.):

On or about 4-29-2020 I Dwight Junior McCullough was arrested on a warrant issued 4-29-2020 by Judge Wallace, the affidavit that was used to obtain the warrant does not have a depiction of probable cause, and it also withholds exculpatory evidence from Judge information that would negate me. The affidavit is sworn by an unknown notary whose commission expiration date is unknown as well (Exhibit A). The Prosecutor of the State of Alaska overseeing the case has refused to look at the evidence negating me but rather look at my history. My rights have been violated by the fact that I have been incarcerated over 5 months and haven't been to court once over this charge, no indictment, no speedy trial, no search warrant to go into my house, seize my car, and no probable cause to arrest me. The State of Alaska insists on prosecuting a charge that the victim is me and no one else. The State of Alaska is prosecuting what should of been a civil

case, criminally. A violation of my due process by the state of Alaska by not having me court either physically or telephonically, also by returning an indictment in allotted time allowed. Unreasonable Search and Seizure of my property upon no probable cause being existant. The Prosecutors duties is not to prosecute a charge that they know is not supported by probable cause, not by someone's history or background. Due to Prosecutorial Misconduct, Malicious prosecution and malicious abuse of process ~~my~~ civil rights have been violated and there is no justification for it. District Attorney's office in Anchorage, Alaska has allowed this to proceed for over 5 months without no evidence, no probable cause and falsified documents to obtain a warrant.
